THE DUKE OF EDINBURGH'S AWARD

EACH year more than a dozen of our students receive Duke of Edinburgh Awards and recently 10 were invited to Buckingham Palace to collect their golds.

Among them was former Culcheth High School pupil Lawrence Rainford who also studied Geography, Law, PE and Drama at Priestley.

Lawrence said: "Completing the DofE was one of the highlights of my life so far. You share so many great experiences along the way that you make friends that I am sure you will stay in touch with for the rest of your life."

"Receiving the gold award at Buckingham Palace was just the perfect way to end the DofE experience."

" All young people should be given every support necessary in order for them to achieve. "

Nigel Howells

Priestley College is an official DofE centre, which is great news for you. It means we independently run the course to suit our timetables so at no point will it impact on your studies.

DofE runs as part of the college's enrichment programme so you can sign up during Enrolment or in your first few days at college.

Activities are designed to develop the whole person – mind, body and soul – in an environment of social interaction and teamworking. Its ethos is to enable every young person of every background to do their DofE and succeed, regardless of any barriers.
