

LANGUAGES FOR BUSINESS in French or German

- In today's globalised market, our Languages for Business course equips you with the practical business language skills to distinguish yourself from other candidates. Combine your language skills with subjects such as Business, Science, Technology, Engineering and Maths, preparing you for a competitive international marketplace.
- **Entry requirements:** Grade 4 or 5 at GCSE
- **UCAS points available:** 16
- 2 lessons per week.

This course is aimed at post 16 students who have achieved a GCSE at grade 4 or 5 in either French or German.

At the end of year 1, students receive a graded certificate of pass, merit or distinction, following the completion of 6 end of module assessments (40%) as well as 2 final unseen assessments (60%).

Students who successfully complete the level 2 Accreditation in Year 1, are able to progress to the level 3 blended learning business language course in Year 2, which is a non graded portfolio based qualification which can lead to 16 UCAS points.
